

Are there  
accessible  
toilets?

Are there  
hearing  
loops?

Are there  
ramps on-site?

## Do you want to find out what accessibility options are available when visiting a CHP site?

Our Detailed Access Guides provide clear accessibility information, so you can plan ahead of your visit.

Find a **free Access Guide** today on **our website** or by downloading the **AccessAble App**, and search Community Health Partnerships.
